Keep your money growing

**Enhanced growth for your U.S. cash**

Canadians who work or travel in the United States often maintain a U.S. dollar denominated bank account to reduce the impact that currency fluctuation can have on their savings.

Unfortunately many U.S. dollar accounts pay little or no interest. The Manulife Bank \$US Advantage Account is a U.S. dollar investment account that can keep your U.S. cash growing with a high rate of interest.

**Get more for your money**

\$US Advantage Account provides a premium interest rate for your U.S. dollars with no tiers or minimum balances.

With \$US Advantage Account you can:

- Transfer money online or over the phone to and from a U.S. dollar account held at a Canadian financial institution.
- Keep track of your account activity and account balance online and through quarterly statements.

Plus, your money is never locked-in and there are no withdrawal fees or penalties.<sup>1</sup>

**Keep your money growing with a Manulife Bank \$US Advantage Account.**

\* As at February 22, 2008, variable annual interest of 2.75% is applied to all funds in the account. Interest is calculated on the total daily closing balance and paid monthly. Rate is subject to change. Visit [manulifebank.ca](http://manulifebank.ca) or call 1-877-765-2265 for current rates.

<sup>1</sup> In certain cases, deposits may be subject to a 30-day holding period. No monthly maintenance fee. No fee for phone or online transfers. ABM access and cheque writing are not available on this account. Ask your financial advisor for a complete schedule of service charges and fees.

This account is not insured by CDIC.
