All references to "year" refer to Anniversary Year. When it relates to Hearing Aids and Vision benefits, year refers to Benefit Year. Anniversary Year refers to the consecutive 12-month period following the effective date of your policy, and each 12-month period thereafter. Benefit Year refers to the consecutive 12-month period following the date a claim for a specific benefit is first incurred under your policy. Calendar Year means the 12-month period commencing January 1 and ending December 31.

† Prescription drug coverage applies to costs not covered by your provincial/territorial prescription drug insurance plan, up to the maximums stated above.

Quebec only: The prescription drug coverage available under this plan is limited to costs not covered by the RAMQ Prescription Drug Insurance Plan. It is not intended to be a replacement for the RAMQ Plan. In order to be eligible for coverage under this Plan, you must have a provincial health card and be registered under the RAMQ Prescription Drug Insurance Plan, or have equivalent coverage under a group plan.

†† Prescription drug coverage is based on Calendar Year for residents of British Columbia, Saskatchewan and Quebec. For all other provinces, coverage is based on Anniversary Year.

Generic Drug – A generally less expensive alternative to an interchangeable brand-name drug product. Please note: Not all drugs have a generic equivalent. If a non-generic drug is purchased, payment will be based on the lowest generic drug cost equivalent, if applicable. If no generic brand exists, payment of the brand-name price will be made at the co-payment level of your plan. Exclusions: smoking cessation drugs, over-the-counter drugs, fertility drugs, birth control drugs, erectile dysfunction drugs, and drugs not requiring a prescription. Other exclusions apply; please consult your policy for details.

‡ Note: If applicable, dental coverage begins at the age when dental coverage under your government health insurance plan coverage ends.

‡‡ Benefits are only payable after yearly maximums allowed under your provincial health insurance plan have been reached, if applicable.
