RATES SCHEDULE - \$0 Deductible Option

Individual weekly premium rates available for eligible applicants for a maximum period of 52 weeks (one year) per policy.

Premium rates are subject to change without notice.

Minimum premium of 12 weeks applies, and all partial weeks must be rounded up to the next full week.

For example, a policy with an *effective date* : March 13, 2024, and an expiry date: June 20, 2024.

This calculates to 100 days or 14.29 weeks of coverage (100 days ÷ 7 days/week = total weeks of coverage).

In this example, premium would be calculated using 15 weeks.
